# Federation News

**National Active and Retired Federal Employees Association**

Fellow NC NARFEians, it is my sad duty to report the passing of Dr. Tom Hobgood. He died on Saturday and, if you recall, his wife passed away back in early July. Tom was a mentor to me and I'm sure to many of us and he was affectionately known as "Mr. NARFE."

His memorial service will be Saturday, August 19th, at 2 PM in Raleigh at Benson Memorial United Methodist Church, 4706 Creedmoor Road.

Robert Allen, NC Federation President
